THE MAZDA KURO EDITION VEHICLES

BORN TO STAND OUT

At Mazda, we pride ourselves on using creativity to push the conventions of engineering and design. And our new Kuro Edition models are at the fore of those efforts.

Meticulously crafted to enrich the driving experience, the powerful and refined Kuro Edition Mazda6, CX-5, and CX-9 allow drivers to truly express their individuality, all while delivering Hashiru Yorokobi (the joy of driving) – what we consider to be the highest honour.

Their entire aesthetic has been reconsidered. That's why they come in a sophisticated new colour scheme. Exteriors available in Polymetal Grey Metallic and Jet Black Mica sit beautifully on exclusive black metallic-finish aluminum alloy wheels. Inside, find striking Garnet Red leather-trimmed upholstery, complimented by distinctive black accents throughout. To us, this bold and expressive design is the ultimate way of giving our drivers the most elegant experience possible.
